

To our valued patients:

We are writing to you to announce that Sage Integrative Medicine Clinic will be implementing a new billing process effective **March 2021**.

- \* **We will no longer be billing any insurance companies that we are not contracted with. Please know that if your insurance carrier is other than Regence, Premera or First Choice, you will be a “cash pay” patient at the time of service. You will also qualify for the cash pay discount. We will be happy to provide a superbill that you can submit to your insurance company if you seek any reimbursement from your carrier.**
- \* **Any questions you may have concerning your benefits should be directed to your insurance company’s Member Service Representative, customer service number on the back of your card.**

Sage Integrative Medicine Clinic is always exploring new ways to improve our efficiencies and give our patients the most reliable and affordable services possible. We apologize for any inconvenience this new process may cause. We appreciate your cooperation, patience and understanding during this transition period.

Please do not hesitate to contact us with any questions.

We look forward to caring for you.

Sage Integrative Medicine Clinic Team!
